Subaru Intelligent Drive (SI-DRIVE®)

① SI-DRIVE enables two distinctly different modes of vehicle performance characteristics by regulating the engine control unit (ECU) and the transmission control unit (TCU) as well as fine-tuning the electronically controlled throttle.

[illegible]

Lineartronic[®] CVT (Continuously Variable Transmission) with low shift mode

Stability and Traction

Subaru Symmetrical All-Wheel Drive

Standard	Standard	Standard	Standard	Standard	Standard	Standard	Standard	Standard	Standard
----------	----------	----------	----------	----------	----------	----------	----------	----------	----------

X-MODE[®]

① X-MODE optimizes engine output and transmission ratio, increases all-wheel drive system engagement, and uses enhanced control of the VDC system to reduce individual wheelspin, providing optimal traction on low-friction surfaces. Sport, Limited, Touring and all Hybrid trims include dual-function X-MODE with Deep Snow / Mud setting. Wilderness models also include Low Speed / Low Ratio Gradient Control.

Not Available	Standard	Standard	Standard	Standard	Standard	Standard	Standard	Standard	Standard
---------------	----------	----------	----------	----------	----------	----------	----------	----------	----------

Hill Descent Control

① X-MODE also incorporates Hill Descent Control (HDC), which helps to maintain a constant vehicle speed when traveling downhill, enhancing vehicle control.

Not Available	Standard	Standard	Standard	Standard	Standard	Standard	Standard	Standard	Standard
---------------	----------	----------	----------	----------	----------	----------	----------	----------	----------

Vehicle Dynamics Control (VDC)

① VDC electronic stability control utilizes sensors that constantly monitor wheel speeds, steering angle, brake pressure, vehicle yaw rate, and lateral g-forces. If VDC detects a difference between the driver's intended path and the one the vehicle is actually taking, VDC applies braking power and/or reduces engine torque to help correct vehicle path.

Standard	Standard	Standard	Standard	Standard	Standard	Standard	Standard	Standard	Standard
----------	----------	----------	----------	----------	----------	----------	----------	----------	----------

Traction Control System (TCS)

① VDC also incorporates an all-wheel, all-speed traction control system that senses a loss of traction and applies braking force to the slipping wheel or wheels as necessary to maintain vehicle motion.

4-wheel independent suspension

① Front: strut-type with lower L-arm, stabilizer bar, rear: double wishbone, stabilizer bar.

StandardStandardStandardStandardStandardStandardStandardStandardStandard

4-wheel disc brakes

Brake Assist

① When emergency braking is detected by how quickly the brake pedal is pressed, maximum brake pressure is immediately applied.

StandardStandardStandardStandardStandardStandardStandardStandardStandardStandard

Brake Override System

① If both brake and accelerator pedals are pressed simultaneously, the system reduces the operation of the accelerator pedal to help prevent unintentional vehicle acceleration.

Auto-Dimming Exterior Mirror with Approach Light - Wilderness

① Enhance nighttime driving safety by adding the Auto-Dimming Exterior Mirrors with Approach Light.* Upon approaching the vehicle or unlocking your doors with the keyless entry system, LED lights located behind the Subaru logo in each exterior mirror will illuminate the ground next to and towards the rear of the vehicle. During nighttime driving, the Exterior Auto-Dimming Mirrors will reduce headlight glare by dimming in unison with the Auto-Dimming (Interior) Mirror, creating a safer driving experience. Dimming level is regulated by the level of light detected from the Auto-Dimming (Interior) Mirror. *Requires Auto-Dimming (Interior) Mirror.

Thule® Awning - Roof Mounted

① Seamlessly integrates with your Subaru to provide shelter from the sun and rain. The awning features high strength fabric with an exclusive system for perfect canopy tension, and integrated telescopic support legs to help quickly setup and adjust to the correct height. When it's time to drive, easily stow and protect everything in a sleek, durable and lightweight aluminum case. Integrated legs and tension arms allow for simple, one person setup. Includes lightweight, sleek aluminum case to store when not in use. 6.2 ft. in length and projects 8 ft. when fully extended. Suitable for use on vehicles with a crossbar set. Includes locking adapter kit for mounting to the crossbars and stakes to secure the legs to the ground.

When used on a hard surface, weights are recommended to anchor and stabilize the legs. Can be used in conjunction with the Thule® Roof Top Tent or other Genuine Subaru Lifestyle rooftop accessories.

Thule® Bike Carrier - Hitch Mounted - 4 bikes

① Manufactured by Thule®, this steel rack is designed for easy handling, installation and removal. The anti-sway cages prevent bike-to-bike and bike-to-vehicle contact and help absorb road shock for frame protection. The carrier is unique to Subaru and designed to properly attach to the 2-inch Subaru Genuine Trailer Hitch only. Arms fold down when not in use for easy storage. Rack pivots backwards for access to rear of vehicle. Integrated locking cable and locking hitch pin lock the bikes to the carrier and carrier to the vehicle. Four bike, 150 lbs. total weight capacity. Requires Trailer Hitch. To avoid blocking taillights, use only roof mounted bike carriers to transport bikes with solid disc wheels. Before installing this carrier, please check the laws of your state regarding license plate visibility.

----------	----------	----------	----------	----------	----------	----------	----------	----------	----------

Thule® Bike Carrier - Hitch Platform - 2 bikes

① This steel-construction platform carrier is ideal for transporting mountain or downhill bikes, ebikes, fat bikes and bicycles with carbon frames. With two-bike capacity, the carrier is designed to fit Subaru 1 - 1/4-inch hitch receivers (2-inch receiver with adapter, sold separately) and fits most

20" to 29" wheels with tires up to 5" wide. Rack tilts down for rear of vehicle access and folds up when not in use. Includes locks to secure up to two bikes to the carrier and the carrier to the vehicle. Two bike, 100 lbs. total weight capacity. Requires Trailer Hitch. To avoid blocking taillights, use only roof mounted bike carriers to transport bikes with solid disc wheels. Before installing this carrier, please check the laws of your state regarding license plate visibility.

Thule® Roof Top Tent

① A modern shape and spacious interior transform your vehicle into a home away from home, providing more living space for you and for your gear. Features panoramic skylights and windows to help keep you cool and the tent well ventilated, and a dual-layer foam mattress for increased comfort. Lockable mounting brackets secure the tent to the Thule® Crossbar Set – Aero Extended. Removable rain cover with 3 modes of protection – heavy rain, rain protection with visibility through windows and skylights, and ready-to-deploy mode. Six dual-zippered panels for the door, window, and four skylights feature a bug screen and water-resistant polyester panel for privacy. Zippered travel cover protects the tent from the elements when the tent is stowed on top of the vehicle. Telescoping aluminum ladder allows easy access to the rooftop tent and functions as a critical support to stabilize the weight of the tent and its occupants. 2-3 person capacity: sleeps 2 adults and 1 child, or 2 adults comfortably. Suitable for use on Subaru vehicles equipped with factory raised roof rails and adequate roof capacity. Consult vehicle owner's manual for total roof load limit. Quick and easy deployment in 3 minutes or less: unzip the travel cover, unfold the base, and secure the ladder to begin your camping adventure! Open dimensions: 95" x 56" x 44". Closed dimensions: 49" x 56" x 11". Sleeping footprint: 95" x 51". Peak internal height: 40.2". Weight of tent: 128 lbs. (Representative image only. Accessory shown on a Crosstrek.)

Organizer and Pet Rear Seat Extender

① Increase the back seat resting area for your dog to stretch out comfortably during long trips, while providing extra storage space for pet supplies and your cargo. Conforms to the shape of the rear seat to match seat height and minimize the gap between the seat and the extender. Helps keep your pet calm and comfortable by filling the gap between front and rear seat. Suitable for dogs up to 200 lbs. Includes dividers to keep personal items well organized and provide a sturdy structure to support your pet's weight. Easy to clean and quickly folds flat for storage when not in use. Two required to cover the driver and passenger side back seat areas. (Representative image only. Accessory photographed in an Outback.)

3 EyeSight is a driver-assist system that may not operate optimally under all driving conditions. The driver is always responsible for safe and attentive driving. System effectiveness depends on many factors, such as vehicle maintenance, weather, and road conditions. See Owner's Manual for complete details on system operation and limitations.

4 Maximum towing capacity varies by trim level. Trailer brakes may be needed. See your retailer for details.

5 The glass information listed represents calculated reference values and may not represent actual values determined by testing.

6 EyeSight is a driver assist system which may not operate optimally under all driving conditions. Advanced Adaptive Cruise Control and Brake Light Recognition are designed to assist the driver and are not substitutes for safe and attentive driving. Lane Keep Assist operates only when the lane markings are visible. The driver is always responsible for safe and attentive driving. System effectiveness depends on many factors, such as vehicle maintenance, weather, and road conditions. Lane centering function operates only when used in conjunction with Advanced Adaptive Cruise Control. See Owner's Manual for complete details on system operations and limitations.

7 Compatible smartphone and application required. The latest app version is required for best performance. Data provided by smartphone is displayed on head unit screen. Some state laws prohibit the operation of handheld electronic devices while operating a vehicle. Smartphone apps should only be launched when vehicle is safely parked. Your wireless carrier's rates may apply.

8 All SiriusXM services require a subscription, sold separately by SiriusXM after the trial period. Your SiriusXM service will automatically stop at the end of your trial unless you decide to subscribe. If you decide to continue service, the subscription plan chosen will automatically renew and be charged according to your chosen payment method at the then-current rates. Fees and taxes apply. See the SiriusXM Customer Agreement & Privacy Policy at www.siriusxm.com for full terms and how to cancel, which includes online methods or calling 1-866-635-2349. Available in the 48 contiguous United States, D.C., and Puerto Rico (with coverage limits and capable receiver). Visit <http://www.siriusxm.com/FAQS> for most current service area information. Availability of some services and features is subject to device capabilities and location restrictions. All fees, content and features are subject to change. SiriusXM, Pandora and all related logos are trademarks of Sirius XM Radio Inc. and its respective subsidiaries.

9 Activation and required subscription sold separately. Includes trial subscription. See your retailer for details.

10 All Subaru Live Traffic services require a subscription after the trial period. Subaru Live Traffic services will automatically renew at the end of the trial period into a monthly paid plan unless the trial is cancelled. Subaru Live Traffic can be cancelled at any time by going to the Manage Subscriptions page of the MySubaru app. Upon cancelling, the subscription will continue to the end of the paid term and not renew. There are no refunds. Fees and taxes apply. Services are only available while traveling in the United States, including Hawaii and Alaska, and in Canada. Availability of some services and features is subject to device capabilities and location restrictions. All fees, content, and features are subject to change.

11 Internet access is purchased separately through AT&T with monthly, per gigabyte, and unlimited data options available. Existing AT&T customers have the option to add an additional line to their AT&T Mobile Share plan.

12 Automatic Emergency Steering is a system designed to assist the driver. It is not a substitute for safe and attentive driving. Automatic Emergency Steering works in conjunction with and after Pre-Collision Braking has been activated by providing steering support at speeds lower than 50 mph to try and help avoid a collision. See Owner's Manual for complete details, including important system limitations. Availability varies by trim level.

13 DriverFocus is a driver recognition technology designed to alert the driver if their attention to the road wavers or if the driver's face appears to turn away. The driver is always responsible for safe and attentive driving. System effectiveness may be affected by articles of clothing worn on the head or face. See Owner's Manual for complete details on system operations and limitations.

14 Blind-Spot Detection, Lane Change Assist and Rear Cross-Traffic Alert are systems designed to assist the driver by monitoring the rear and side areas of the vehicle during a lane change or reversing and are not a substitute for safe and attentive driving.

15 Reverse Automatic Braking is a system designed to assist the driver by detecting objects to help avoid a possible collision when the vehicle is moving in a reverse direction. It is not a substitute for safe and attentive driving. System effectiveness depends on many factors such as vehicle maintenance, weather and road conditions. Always exercise caution and use vehicle mirrors and Rear-Vision Camera when backing up. See Owner's Manual for complete details on system operation and limitations.

16 Activation with subscription required. Includes a 3-year trial subscription to Safety services and a 6-month trial subscription to Safety and Security services. The Concierge plan can be purchased annually or monthly. A credit card on file will be required for specific packages and for renewal purposes. Features and availability vary by vehicle and trim level. May not be available in all states. See Retailer for details.

17 The Supplemental Restraint System (SRS) (airbags) affords the driver and the front passenger additional protection in moderate to severe frontal and side-impact collisions, and outboard 2nd-row passengers additional protection in moderate to severe side-impact collisions. This system provides supplemental protection only, and seat belts must be worn in order to avoid injuries to out-of-position occupants upon bag deployment and to provide the best combined protection in a serious accident. Children should always be properly restrained in the rear seat.

Legal Disclaimers | * MSRP does not include destination and delivery charges, tax, title, and registration fees. Destination and delivery includes handling and inland freight fees and may vary in some states. Prices, specifications, options, features, and models subject to change without notice. Select colors may be subject to an additional charge. See your retailer for more information.

** EPA fuel economy estimates. Actual mileage will vary with driving conditions and your vehicle's condition.

*** Limited warranties are contingent on age and mileage. Whatever comes first concludes the warranty.

† Connected Services depend on factors outside Toyota's control, including an operative telematics device, a cellular connection, GPS signal and the availability of a compatible wireless network, without which system functionality and availability may be limited or precluded, including access to response center and emergency support. Service may vary by vehicle and region. Apps and services subject to change at any time without notice. Requires app download/registration and subscription after trial (if applicable). Terms of Use apply. Data usage and charges may apply. To learn about Toyota's connected services data collection, use, sharing and retention practices, please visit toyota.com/privacyvts

Safety Connect: Stolen vehicle police report required to use Stolen Vehicle Locator. Automatic Collision Notification activates only in limited circumstances.

Remote Connect: Use only if aware of circumstances surrounding vehicle and it is legal and safe to do so (e.g., do not remotely start engine if vehicle is in an enclosed space or vehicle is occupied by a child). Remote start/stop not available on manual transmission-equipped vehicles.

Drive Connect: Services not available in every city or roadway.

Service Connect: Information provided is based on the last time data was collected from the vehicle and is not real time data. Service Connect is not renewable as a stand-alone service and requires a subscription to any of Safety Connect, Remote Connect or Drive Connect upon trial expiration.

Wi-Fi Connect: Eligible vehicle and wireless service required. Wi-Fi Connect coverage and service not available everywhere. Valid in the contiguous U.S. and Alaska. Do not drive distracted. Go to att.com/solterra for terms and conditions. Up to 5 devices can be supported using in-vehicle connectivity. The Wi-Fi Connect trial begins at the time of enrollment activation and expires when 30 days or the earlier of 3GB of data is used or the 1-month period ends. Subscription required after trial. Integrated Streaming requires subscription for third-party provider services.
